5. HIRED VEHICLE:-

1. MR. TRINATH BHATTA, NAYAGARH

Sr. No.	Particulars	Km per 1 ltr diesel	Monthly Hiring rate
1	BOLERO (8+1)	10	17200.00
			17200.00

After comparing the rates of the three parties it was found that Trinath Bhatta, Barabati, Nayagarh has quoted the lowest rate of Rs.17, 200/- for monthly rent for hired vehicle on contract and the vehicle is of 2010 model. As per the norms of Navodaya Vidyalaya Samiti, the Vehicle should have been purchased during 2014-15. But due to non availability vehicle purchase during the above mentioned year and keeping in view the very good condition of the vehicle due to less use / running and economic monthly rent; the PASC unanimously resolved to engage the vehicle from Mr. Trinath Bhatta, Barabati, Nayagarh.

6. MEDICINE:-

In respect of Medicine only one Party M/s. Adroit Molecules India Pvt. Ltd. Secunderabad has quoted a discount of 20% towards medicines. The PASC felt that this rate of discount is reasonably high. Moreover, the Vidyalaya effecting the purchase from M/s. Adroit Molecules India Pvt. Ltd. Secunderabad for the past 4 years and that the company has been supplying items with required quality and quantity within time limit. Hence the PASC unanimously decided to procure the medicines for the Vidyalaya from M/s. Adroit Molecules India Pvt. Ltd. Secunderabad for the year 2017-18.

Further the PASC carefully studied the other issues apprised by the Principal and arrived at the following resolutions:

- (a) For mess items such as vegetables, Non-Veg and Milk, Bread and bakery the Vidyalaya has not received tender. Hence the tender for those items could not be finalized for the year 2017-18. Since, the procurement of those items required to run the Vidyalaya mess soon after reopening vidyalaya on 30.06.2017. The PASC after thorough discussion authorized the Principal to procure required items for mess by the Vidyalaya level purchase committee i.e. by the mess committee members after due survey of local market i.e. as per the prevailing market rate for smooth functioning of the Vidyalaya till finalization of tender.
- (b) In respect of daily use items such as Tooth paste, Tooth brush, Soap, Hair Oil and Sanitary Napkin; rates are not finalized due to lack of sufficient tender. As the same is required to be distributed among the students soon after opening of reopening of the vidyalaya on 30.06.2017, the PASC authorized the principal to purchase the same from authorized dealer or the approved rate of the nearest Jawahar Navodaya vidyalaya till finalization of tender.
- (c) In respect of Hair cutting (Boys and Girls) and washing and pressing of students' cloth items, no tender has been received. But washing/ pressing of students' clothes and Hair Cutting for students is a continuous activity as it is a residential school. Hence the PASC has authorized the Principal to collect 3 quotations from interested parties of Nayagarh locality and finalize the same by the PASC. In case of non-availability of tenders the same can be done (for the interest of children) by engaging local Dhobi and Barber at competitive rates to the maximum extent possible.
- (d) The rates of Electrical and M&R items could not be finalized due to non receipt of the Tender. As the Same items are required to meet the day to day needs of the vidyalaya, the PASC after thorough discussion authorized the Principal to procure the required items with the approval of the Vidyalaya level purchase committee and from the open market as per need basis.
- (e) The Principal apprised the committee for repair of the old Gadda and Pillow which are dumped in the Vidyalaya store as the same is required for Class VI students, just after reopening of the Vidyalaya. The Committee after thorough discussion regarding rates allowed the Principal for repair of the Gadda and Pillow by engaging labour from nearby locality @ Rs.160/- for gadda and Rs.20/- for pillow.

- (f) As per the decision of the last meeting in respect of BRANDED ITEMS the percentage of discount from MRP is introduced and most of the branded items rate is quoted with percentage of discount on MRP. Hence the committee after thorough discussion decided that the Vidyalaya level committee will give a certificate after verification with the MRP of each items and the same will be kept in respect of each bill for maintaining the genuineness and transparency as per previous practice.
- (g) In respect of cloth items such as suiting and shirting; NVS, Noida has given instruction vide letter no.F.No.16.2/2016-NVS(SA)/1070-1077 Dated 21.02.2017 to procure from NSIC/NTC/KVIC/STC. As the NSIC has given the quotation the PASC authorized the Principal to procure from NSIC as per requirement.
- (h) The committee decided and authorized the Principal to call Short Tender Notice immediately for those items whose rates are not finalized.

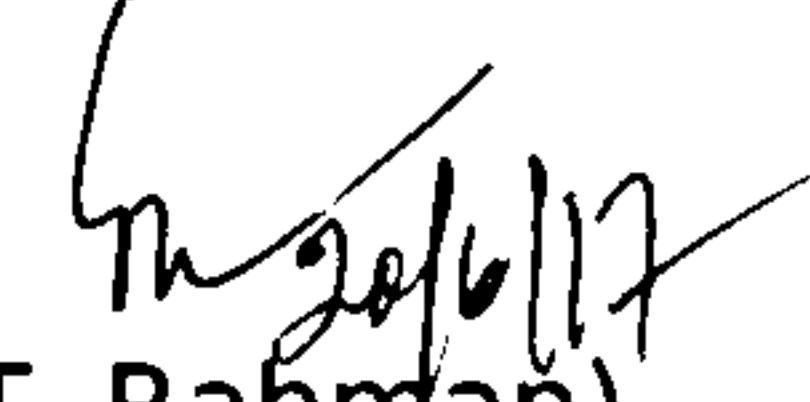

The meeting ended with vote of thanks to the members present.

4. IMPORTANT RESOLUTIONS :

The PASC carefully studied the other issues apprised by the Principal and arrived at the following resolutions:

- a) In respect of Bread, Bakery, Sweet items: The rates for Bread, Bakery, Sweets items are not finalized due to lack of three tenders. As the same is required to run the vidyalaya mess, the committee after through discussion authorized the Principal to procure the same as per need basis by calling quotation or from the prevailing market rates by the Vidyalaya level purchase Committee in the light of NVS REVISED PURCHASE PROCEDURE.
- b) In respect of Hair cutting and washing and pressing of students' cloth items, only one tender from Mr. Kulamani Sethi has been received for which the committee is unable to compare the rates. Washing/ pressing of students' clothes and Hair Cutting for students is a continuous activity in a residential school. The rate quoted by Mr. Kulamani Sethi for washing and pressing is found quite genuine and economic. Hence the committee approved the rates of washing and pressing quoted by Mr. Kulamani Sethi which is Rs. 5/- and Rs.2.5 per pc respectively. In respect of hair cutting the PASC has authorized the Principal to engage the barber at competitive rates to the maximum extent possible.
- c) Electrical, Plumbing and M&R items: The rates of Electrical, Plumbing and M&R items could not be finalized due to non receipt of the Tender in spite of two time open advertisement called by the vidyalaya. As the Same items are required to meet the day to day needs of the vidyalaya, the PASC after thorough discussion authorized the Principal to procure the required items by calling quotation (without news paper advertisement) and obtain the approval of the Vidyalaya level purchase committee/PASC as the case may be and from the open market or from Orissa Consumer Cooperative Federation Ltd as per need basis.
- d) In case of failure to supply the required items by concerned parties in the first instance itself, the EMD / SD should be forfeited and next party should be given the chance to supply at the rates quoted by Party-1 or at the rate quoted by the party itself.

The meeting ended with vote of thanks to the members present.
